Several partners - one school magazine.

As a secondary school in Istanbul we aim to prepare a school magazine in

And these are details about the Project MULTI-CULTURAL SCHOOL MAGAZINE

This is a two months long study,we may start preparations right now and complete in April then I can collect your parts add mine and prepare the last version.Having it published looks a little bit expensive.you may also publish it in your own countries.But I am planning to do it here.

- It may consist of 50 pages.(it can change)
- Our students will prepare the parts so I am planning to create a group of 10 students or more who will help me.(from different age groups and levels)
- CONTENT: MY SCHOOL-MY TOWN-IMPORTANT PEOPLE-A TRADITIONAL FESTIVAL-A TRADITIONAL RECIPE-DAILY ROUTINES OF PUPİLS-NEWS FROM OUR SCHOOLS-AND A SIMPLE TALE (all partners write together for example I start it and send to one partner she writes and sends to other and we have a nice story and put it at the end of the magazine.
- Pictures should be included for every topic
- You can add more to the content.

BEST WISHES
